MT. SHASTA RECREATION AND PARKS DISTRICT

DRUG-FREE WORKPLACE STATEMENT

Mt. Shasta Recreation and Parks District is a drug-free workplace. Upon an offer of employment you will be required to submit to a drug screen. You may be required to take your drug screen on short notice. Those who test positive will not be considered suitable candidates for employment, but may be reconsidered after six months and upon a subsequent negative drug screening test at that time.

If an employee leaves employment at Mt. Shasta Recreation and Parks District and then wishes to resume employment, they will be subject to a drug screen at the time of re-hire, unless the separation was less than four months and a negative drug screen has been performed within the past one year.

If there is an industrial injury or accident which requires medical care and/or an incident or accident which results in damage to property, a drug and alcohol screen will be performed at that time. Positive test results will result in termination. An altered sample will be considered a positive screen and the consequences for a positive screen will be enforced.

Employees who have a documented safety violation may also be subjected to a drug screen. Employees who refuse to consent to a drug screen may be terminated.

When the management of Mt. Shasta Recreation and Parks District believes that a drug or alcohol problem exists "for-cause" testing will be performed. Examples resulting in a for-cause test include evidence of drugs or alcohol, fights or other behavioral symptoms of drug or alcohol abuse, negative performance patterns, excessive absenteeism or tardiness, breath smelling of alcohol, a slurred speech pattern or unusual difficulty walking or performing tasks previously performed routinely. Positive test results, an altered specimen, or refusal to submit to a drug screen may be grounds for termination.

I understand the drug-free workplace statement above and am willing to submit to a pre-employment drug screening test. I understand that if the test results are positive, I will not be considered for employment at this time. I understand that if the integrity of the specimen is invalid, the screen will be considered positive and I will not be considered for employment.

While employed at Mt. Shasta Recreation and Parks District, I understand that I may be drug screened if there is an industrial injury which requires medical care, an incident or accident which results in damage to property, or a documented safety violation, or if my supervisor has cause to suspect drug or alcohol abuse. I understand that a refusal to consent to a drug or alcohol screen will lead to my termination.
